

Call for Papers

1st VIE, September 27, 2012 in Villach Austria

Special Session on Virtual Internationalization of Education (VIE)

This special session will take place during ICL 2012 in Villach, Austria (26 - 28 September 2012) as a special programme item.

It is well known that internationalization will become increasingly important for various reasons in the tertiary education. VIE 2012 provides an interdisciplinary forum for international scientists to discuss various aspects of internationalization of education supported by electronic tools.

The main aims of this special track are:

- (a) to investigate strategies for introducing virtual internationalization of education, and
- (b) to investigate the optimal use and exploitation of ICT.

Topics of Interest:

Pedagogical aspects

- Continuous Education
- Flexible Learning
- Collaborative Learning
- Tutors' collaboration
- Joint courses and educational programmes

Technological Aspects

- Tools and technologies for supporting e- internationalization process
- Computer Supported Collaborative Learning
- Social Networking tools for supporting Virtual Internationalization of Education
- Game Based Learning
